Employment History

Bank officer at Iranian Bank (Maskan), Zanjan and Ardabil

APRIL 2007 – MAY 2022

www.bank-maskan.ir

Bank is one the important bank in IRAN.

2007-2017: cashier position in Maskan bank:

I had been working as a cashier in Maskan bank for 10 years. During that period, I was responsible for performing various duties such as opening and closing accounts, deposits, withdrawals, money orders and checks. In addition, I used to open internet bank accounts and mobile bank. I had to educate

Costumers how to work with internet bank site and mobile bank applications as well.

2017-2020: working in banking facilities section

At 2017, I changed my position and I started working in banking facilities section. In this section, apart from dealing with bank customers, I was responsible for some other tasks such as reviewing and analyzing loan procedures, performing semi-annual account credit, limit reviews and credit increase review requests from financial service. I also need to carefully analyze documents and inform client of missing items.

2020-2022: working in collection debt process section

In this 2-year period, I took the responsibility for collecting bank debts which were overdue.

finally i am ontime, hardwork and fast learner person,who knows word, excell, html5,css3 and java script
